## The Creative Nude Workshop by Struan

*The body always expresses the spirit whose envelope it is. And for him who can see, the nude offers the richest meaning. -Auguste Rodin*

Learn how to light, pose and photograph the nude figure from a true master of the art. Acclaimed fashion and figure photographer Struan will share his knowledge and insights on capturing the beauty of the nude. Then you'll be able to put these into practice for yourself in a shooting session.
